Bill Payment Service

A. Description of Service

The Bill Payment Service permits you to use your Internet-enabled device to direct payments from your designated Personal Online Banking Account to third parties you wish to pay. Your Bill Payment Account must be a checking account.

By registering for the Bill Pay Service, you authorize Abacus and its agents to follow the payment instructions you have provided using your Personal Online Banking Account. You will provide Abacus with the names, addresses, phone numbers and account information of those persons or entities to whom you wish to make a Bill Payment. When you initiate a Bill Payment, you authorize Abacus to charge your Account on a Business Day provided in the transaction and to remit funds to the payee on your behalf electronically, provided electronic payments are permitted and accepted by the payee. If the payee does not permit and accept electronic payments, then those funds will be remitted to the payee through the use of a paper check issued by Abacus or its agent and payable to the payee. Such paper check will state that it represents a payment from you and will indicate the account number of your account with the payee.

Any payments you wish to make through this Service must be payable in U.S. dollars to a payee located in the continental United States. Abacus reserves the right to restrict types of payees to whom payments may be made using the Service from time to time. You agree not use the Bill Payment Service to make payments to settle securities purchases, payments to interest bearing accounts, tax payments, or court ordered payments. Payments for these payees will be your sole responsibility if delayed or improperly processed or credited.

Payments can be sent to payees in one of three ways: electronically, by check or by laser draft. As a number of different factors are considered to determine how the payment will be sent, we cannot tell which method of payment will be used until the payment is processed. Based on factors considered, our payment system selects the most appropriate method.

B. Scheduling Payments

Funds must be available in your Bill Payment Account on the scheduled payment date. If the date you schedule a payment to be initiated falls on a non-business day (Saturday, Sunday, or holiday), funds must be available in your Bill Payment Account the following business day (e.g. Monday). After funds are withdrawn from your Bill Payment Account to make a payment, we may make the payment by transferring funds electronically to the payee, or by mailing the payee a check or laser draft.

You may choose to schedule payments to recur in the same amount at regular weekly, monthly, or semi-monthly intervals. When you create a new payee in the Bill Payment Service, it takes two (2) business days to set up the payee to receive payments. You should schedule a payment to a new payee at least ten (10) business days before any payment due date, to allow us time to set up the payee and verify information about your account with the payee.

For all subsequent payments, you agree to allow at least four (4) to ten (10) business days between the date you schedule a payment to be initiated and the payment due date (that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). If the payment is an Automatic Clearing House (ACH) electronic payment, it will take up to four (4) business days to reach the payee. However, if the

company or person that you are paying cannot accept an electronic payment, the Bill Payment Service will send a check that may take up to ten (10) business days. If you do not follow these time frames, you will be fully responsible for all late fees, finance charges or other actions taken by the payee. If you schedule your payment and follow all instructions provided, but the payment is not received by the payee in a timely manner, the Bank will work with the payee on your behalf to reverse any late fees or charges.

C. No Duty to Monitor Payments

Abacus is only responsible for exercising ordinary care in processing and sending payments upon your authorization in accordance with this Agreement. Abacus will not be liable in any way for damages you incur for any of the following reasons:

- insufficient funds in your Bill Payment Account to make the payment on the processing date;
- delays in mail delivery;
- changes to the payee's address or account number unless we've been advised of the change in advance
- the failure of any payee to correctly account for or credit the payment in a timely manner, or
- any other circumstances beyond the control of the Bank.

If the session during which you schedule a payment or transfer ends by 2:00 p.m., the Bank will be considered to have received it on that day. Otherwise, it will be considered received on the following business day. For all entries made using the Bill Payment Service, the time recorded by the Bill Payment Service will be considered the official time of the transaction.

If your Bill Payment Account does not have sufficient funds to make a payment as of the date the payment is debited to your account, the Bill Payment Service will automatically block future Bill Payment Service until the account has sufficient funds to make the payment. The Bank will attempt to notify you by e-mail or U.S. Postal Mail, but the Bank shall have no obligation or liability if it does not complete a payment because there are insufficient funds in your account to process a payment. In all cases, you are responsible to make alternate arrangements for the payment or reschedule the payment through the Bill Payment Service. In the case of fixed payments, only the payment currently scheduled will be impacted. Fixed payments scheduled for future dates will not be affected.

D. Cancel or Change Payment Instructions

Payments may be changed or canceled using the Bill Payment Service as long as the status of such payment is shown as "pending." If you ask us to cancel a payment after it is issued and we agree to do so, we may charge you a stop payment fee. Stop payment orders whether oral, written, or electronic, will be in effect for a period of six (6) months. If requested by the Bank, you will confirm any stop payment order in writing. After six (6) months, any stop payment will terminate and must be renewed in order to continue in effect. The Bank may pay any item that is presented following the lapse of any stop payment order. Once a recurring bill payment is cancelled, all future payments to that payee will be cancelled and you must reschedule it if you want a Bill Payment to be made in the future.

E. No Signature Required

When any payment or other online service generates items to be charged to your account, you agree that we may debit your Bill Payment account without requiring your signature on the item, and without prior notice to you.

F. Multiple Person Bill Payment Accounts

If more than one person has access to a Bill Payment account, each person may individually enroll in the Bill Payment Service. Each enrolled person needs a unique password but may choose to use the same payee list. Each individual may terminate her/his enrollment in the Bill Payment Service without affecting the Service for any other person enrolled in that Bill Payment account. However, any enrolled person may terminate the Bill Payment Service that will terminate the service for all enrolled persons on that Bill Payment account.

Fees

Personal Online Banking (including Mobile Banking, see below) is provided free to all Abacus personal account holders. Please see below regarding charges outside of the Bank that may apply with respect to Mobile Banking. Bill Payment is also provided free of charge. Every bill payment that is returned due to insufficient funds in your account will be charged \$10 in addition to the normal uncollected fee associated with a bounced item on your account. External Transfers Service is free for transfers into your Abacus accounts. There are fees associated with fund transfers out of your Abacus accounts. These fees can be found after you click "External Transfer" on the Personal Online Banking main menu screen, and then click, "Transfer Funds."

Electronic Funds Transfer Provisions for Consumers

The provisions in this section apply only to electronic funds transfers that debit or credit a consumer's checking or savings account and are subject to the Federal Reserve Board's Regulation E (an 'EFT'). Abacus may rely on any exceptions to the provisions in this section that are contained in Regulation E. All terms not otherwise defined in these Terms and Conditions which are defined in Regulation E will have the same meanings when used in this section as they do in Regulation E.

Your liability for an unauthorized EFT or a series of related unauthorized EFTs will be determined as follows:

1. If you notify the Bank within two (2) business days after your password was lost or stolen, your liability will not exceed \$50.00 or the amount of the unauthorized EFTs that occur before notification, whichever is less
2. If you fail to notify the Bank within two (2) business days after your password was lost or stolen, your liability will not exceed the lesser of \$500.00 or the total of:
 - \$50.00 or the amount of unauthorized EFTs that occur within the two (2) business days; and
 - the total of authorized EFTs which occur during the two (2) days before notification to the Bank, provided the Bank establishes that these EFTs would not have occurred had the Bank been notified within that two-day period.
3. You must report an unauthorized EFT that appears on your periodic statement, no later than 60 days of transmittal of the statement to avoid liability for subsequent transfers. Your liability will not exceed the amount of the unauthorized EFTs that

occurred with the 60-day period. You may also be liable for the amounts as described in sections 1 and 2 above.

4. If your delay in notifying us was due to extenuating circumstances, we will extend the times specified in the immediately three preceding paragraphs.
5. You may notify the Bank by telephone, writing, or by email using the secured email form available on the Personal Online Banking site. Notification by general e-mail to report an unauthorized transaction is not secure and therefore not advised.
6. If the report is made orally, we will require that you send the complaint or question in writing within 10 business days.
7. We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or questions. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has and established an account with us before this account is opened.

The telephone number and address to be used to notify Abacus when you believe that an unauthorized EFT has been or may be made are:

- Deposits Customer Service at 1-800-969-8423 (Monday thru Friday, excluding Federal holidays)
- Or you may write to Abacus Federal Savings Bank, 6 -8 Bowery 3rd FL, New York, NY 10013, Attn: Deposit Operations Department.

We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. When you contact us:

- Tell us your name and account number.
- Describe the error or transfer you are unsure about, and explain clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

Statements

You will continue receive your monthly statements in the mail for each checking, statement savings, money market or NOW account, unless you have chosen to receive **E-Statements**. Once you chose to receive E-Statements, you will no longer receive monthly statements in the mail. Your statement (whether mailed or EStatement) will reflect all your transactions, including

your Personal Online Banking transactions. If you have registered for the Bill Payment Service, your monthly statement (whether mailed or E-Statement) will reflect bill payments.

Linked Accounts

All personal accounts with the Bank that you are an authorized signor for are linked together for the purposes of Personal Online Banking and Bill Payment Service. The linked accounts will appear together without regard to the ownership of the accounts. For example, if an authorized signor of a linked account accesses Personal Online Banking, that authorized signor will be able to view and access at a single time any personal accounts for which the person is a co-owner or authorized signor.
